**Limited Review Report on Unaudited Quarterly and Year to date Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.**

**To,  
The Board of Directors  
Ujaas Energy Limited**

We have reviewed the accompanying statement of Unaudited Financial Results of **Ujaas Energy Limited** ("the Company") for the quarter ended 31<sup>st</sup> December 2023 and year to date for the period from 1<sup>st</sup> April, 2023 to 31<sup>st</sup> December 2023 ("the statement"), being submitted by the Company being submitted by the Company pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended.

This statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

***Basis of Qualified Conclusion***

*As mentioned in Note No 4.2 of the financial result, pursuant to the resolution plan new management has taken control of the affairs of the company with effect from 20/10/2023 and has made adhoc provision for impairment of Non current assets and current asserts of Rs.17625 Lacs. Accordingly impact can not be quantified accurately and may change subsequently. Further this will also have impact on Current tax and deferred tax recongnised during the quarter.*

***Emphasis of Matter***

1. We draw your attention to note 3 (a) to (d) to the financial result with regards to the implementation of the resolution plan pursuant to approval by national company law tribunal and the resultant impact of the same on the financial results for the quarter and nine months ended ended 31<sup>st</sup> December, 2023.
2. We draw attention to note 3(e) about difference in paid up share capital of the company as per data available at MCA and listing of changes at stock exchange.
3. We draw attention to note 6 regarding difference between balance as per lending banks and as per outstanding with the company.
4. We draw attention to note 7 for change in accounting policy and its impact on financial results.

Our conclusion is not modified in respect of above matters.

Based on our review conducted as above except for possible effect of our observation described in Basis of Qualified Conclusion paragraph above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards (Ind AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
