Independent Auditors Report on the Quarterly and Year to Date Audited Financial Results of the Company pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

To
The Board of Directors of
Ujaas Energy Limited

Report on the audit of the Financial Results

Opinion

We have audited the accompanying quarterly and year to date financial results of Ujaas Energy Limited (the Company) for the quarter and year ended 31st March, 2023 attached herewith being submitted by the company pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these financial results :

(i) are presented in accordance with the requirements of the Listing Regulations 33 of The SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 in this regards and

(ii) gives a true and fair view in conformity with the recognition and measurement principle laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss, other comprehensive income and other financial information for the quarter and year ended March 31, 2023.

Basis for Opinion

Attention is drawn to :

1. As mentioned in Note 1 & 3 of the Statement, creditors were called upon to submit their claims. Claims submitted by the Financial creditors and operational creditors are subject to reconciliations. Pending reconciliation and final outcome of the CIRP, no accounting impact in the books of accounts has been given in respect of excess, short, or non-receipts of claims for operational and financial creditors. Hence consequential impact, if any, on the financial results is currently unascertainable.
2. We have been informed by Resolution Professional that the certain information including the minutes of the meeting of the Committee of Creditor and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditor and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosure, if any, that may arise if we have been provided access to those information.

3. As mentioned in Note No 4 of the Statement, no impairment assessment of property plant and equipment and intangible asset in carrying value as at 31st March, 2023 is made. Therefore, we are unable to comment on consequential impairment, if any, that is required to be made in carrying value of property, plant and equipment and intangible assets.
4. As mentioned in Note No 5 of the Statement, balance confirmations not been received in respect of trade receivables, deposits, loans and advances and trade and other payables as a result of which reconciliation process and consequential adjustments, if any, has not been carried out. The Company has adjusted / provided / written off / back significant amounts basis its internal estimates, against which necessary supporting documentation has not been made available to us.
5. Note 6 of the Statements with regards to difference in borrowings of Rs.2573.55 lacs arising with bank balance confirmation due to the interest on borrowings being recognized by the Company based on the sanction terms of borrowing, whereas the lenders has not charged the same. Had the interest not being recognized by the Company, the loss for the quarter and year ended 31st March 2023 would have reduced by Rs 236.55 lacs (Corresponding previous quarter ended 31st March 2022 Rs. 181.12 Lacs) and Rs.1165.49 lacs (Corresponding previous year ended 31st March 2022 Rs. 723.28 Lacs) and for the quarter ended 31st December 2022 Rs. 309.65 lacs respectively.
6. We draw your attention to note 7 of the Statement with regard to accrued interest income on Fixed Deposits with Axis Bank during the quarter ending 31st March 2023 amounting to Rs.5.59 Lacs (corresponding previous quarter 31st March 2022 Rs.5.72 Lacs) and for the year ended on 31st March 2023 amounting to Rs.22.69 Lacs (corresponding previous year ended 31st March 2022 Rs.22.68 Lacs), for the quarter ended December 2022 Rs. 5.72 Lacs, which has not been credited by bank. Due to this there is difference in fixed deposit with Axis Bank aggregating to Rs 45.36 lac as at the year end.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (as amended). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial Results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. Since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as going concern basis during CIRP. The financial results is continued to be prepared on going concern basis. However, there exists material uncertainty about the Company's ability to continue as going concern since as per Note No. 2 NCLT has rejected the resolution plan vide order dated 06/01/2023 against which the resolution applicant has filed an appeal before NCLAT. The appropriateness of preparation of financial results on going concern basis is critically dependent upon outcome of CIRP as specified in the Code.
- b. We draw your attention to note 8 of the Statements with regards to management's assessment of inter-alia, realisability of Renewable Energy Certificates amounting to Rs. 1173 lacs which is subject to adjudication of pending litigation at Apex Court. The management is hopeful of realizing the aforesaid amount considering the legal opinion.

Management's Responsibility for the Financial Results

These quarterly financial results as well as the year to date financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statement in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- d. Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. Comparative financial information of the company for the quarter and year ended 31st March 2022 included in this statement have been reviewed and audited by predecessor auditor. The report of the predecessor auditor on these comparative financial information dated 30.05.2022 expressed a modified conclusion and opinion.
- b. These financial results include result for the quarter ending March 31, 2023 and corresponding quarter ending of previous year being the balancing figure between audited figures in respect of the full financial year and the published un audited year to date figures up to the third quarter of the respective financial year, which were subjected to a limited review as required under the listing regulations.

Our opinion is not modified in respect of this matter.
